

ECO CLUB
KAMAKHYA PEMTON COLLEGE, HIYANGTHANG,
MANIPUR-795009
(Affiliated to Manipur University, Canchipur)

ECO CLUB POLICY

Objectives: The Kamakhya Pemton College Eco Club is committed to achieving the following objectives:

1. **Resource Efficiency:** Strive for optimal use of resources, including energy, water, and materials, to minimize waste and reduce environmental impact.
2. **Biodiversity Conservation:** Enhance and protect campus biodiversity by implementing landscaping practices that support local flora and fauna.
3. **Waste Reduction and Recycling:** Implement comprehensive waste management programs, including recycling initiatives, to minimize the generation of waste and promote responsible disposal practices.
4. **Renewable Energy Adoption:** Explore and invest in renewable energy sources to reduce reliance on non-renewable energy and decrease greenhouse gas emissions.
5. **Transportation Sustainability:** Encourage sustainable transportation methods such as cycling, walking, and public transportation, and promote the use of fuel-efficient and electric vehicles.
6. **Environmental Education:** Integrate sustainability education into the curriculum and raise awareness about environmental issues through workshops, seminars, and outreach programs.

Functions: The Eco-Club of Kamakhya Pemton College shall carry out the following functions:

1. **Annual Celebrations:** The club will celebrate World Environment Day and Earth Day every year, organizing events and activities to create awareness among students about the significance of a clean and green environment for sustainable living.
2. **Sensitization Programs:** Regular organization of sensitization programs to educate students on the proper disposal of various types of waste and their impact on the environment.

Outcome: The expected outcomes of the Eco Club's activities include:

1. **Clean and Sustainable Habits:** Students develop the habit of maintaining a clean surrounding and adopt safe waste disposal practices.

2. **Active Participation in Plantation:** Students actively participate in tree plantation programs to contribute to the enhancement of greenery in and around the campus.
3. **Engagement in Sensitization Programs:** Students engage in various sensitization programs, enhancing their understanding of environmental issues and encouraging responsible behavior.
4. **Cleanliness Drives:** Active participation in cleanliness drives both within and outside the campus, demonstrating a commitment to environmental stewardship.

GREEN CAMPUS POLICY

GREEN CAMPUS POLICY: KAMAKHYA PEMTON COLLEGE

1. Implement energy-efficient technologies, conduct energy audits, and promote energy conservation practices throughout the campus.
2. Adopt water-saving technologies, implement water recycling systems, and promote water conservation awareness among the campus community.
3. Develop and maintain green spaces on campus, including gardens, green roofs, and permeable surfaces, to enhance biodiversity and improve air quality.
4. Establish a comprehensive waste management system, including recycling stations, to reduce the amount of waste generated and promote responsible disposal practices.
5. Prioritize the purchase of environmentally friendly products and services, supporting vendors and suppliers with sustainable practices.
6. Foster collaboration among students, faculty, staff, and local communities to collectively contribute to a green and sustainable campus.
7. Encourage innovative solutions and technologies that support sustainability goals and contribute to the continuous improvement of the college's environmental performance.

Monitoring and Evaluation:

The effectiveness of the Eco Club's initiatives will be regularly reviewed, and adjustments to the activities and policies will be made as needed to align with the changing landscape of sustainable practices and environmental priorities. The club welcomes feedback from its members and the college community to ensure continuous improvement in achieving its environmental goals. The success of the Green Campus Policy depends on the active participation and commitment of the entire community of Kamakhya Pemton College, Hiyangthang, Imphal West, Manipur-795009.
