

Library Development Committee
Kamakhya Pemton College

Introduction

Library has been an integral part of the ecosystem of Kamakhya Pemton College. The College Library serves as valuable educational resources to its students and faculty.

Additionally, the college encourages each department to establish a library designed for their own subject-specific resources. Such departmental libraries, with necessary supports from the college authorities, have been designed to meet the requirements of a specific academic subject.

They provide specialized resources, including books, journals, and other materials directly relevant to the courses, activities research conducted within that department.

The Library Development Committee, established on 8th April, 2019, under the esteemed leadership of then Principal Dr. Sapam Aruna Devi. The Committee was again reconstituted under the present principal Dr W. Nimai Singh on 13th June, 2022.

The Committee has been playing a crucial role in enhancing the college library's resources and services. The goal is to ensure effective functioning of college library, that supports the academic and research needs of the entire campus community and fostering a vibrant learning environment.

Objective:

1. To support academic and research needs of the college.
2. To enhance function, resources and services of the college library.
3. To support the professional development of the staffs of the college.

Functions:

1. The Committee functions for the betterment advancement of the college library resources, reviewing the comprehensive collection of books, journals, and digital resources that align with the college's curriculum and research needs, supporting student learning and faculty development.
2. The Committee also works for the improvement of facility of the college library to make a comfortable, functional, and inspiring library space that promotes learning and collaboration, ensuring adequate lighting, comfortable seating, and well-designed study areas.
