Programmes organized in the Academic Year 2022-2023

The National Service Scheme was started to establish a meaningful linkage between the College campus and the community at large. Mahatma Gandhi, the Father of the Nation, had recognized that the country could not progress in a desired direction until the students and youths are motivated to work for the upliftment of the village(s)/community(s) which in return will help strengthen the Indian society. To Mahatma Gandhi the villages, where majority of the population lived, represent the country i.e. India. Therefore, for the national reconstruction and national resurgence it was deemed fit that the students and teachers should be properly sensitized and utilized for strengthening the Indian society as a whole with particular emphasis on rural community. Therefore, **students, teachers and the community** are considered the three basic components of the National Service Scheme.

The objective of the NSS is the “*development of the personality of students through community service.*” Keeping these tenets in mind, some of the important Thrust Areas NSS Units of the Kamakhya Pemton College, Hiyangthang are listed under the following heads:-

- Gender Issues
- Fitness and lifestyle
- Tobacco and Mouth Cancer
- Substance Abuses
- Sports and Cultural Activities
- Blood Donation Camp
- Yoga Day Celebration
- HIV/AIDS & Adolescent Issues
- National Integration & Social Harmony
- Employment & Livelihood
- Disaster Management
- Environment Enrichment programs
- Unsung Heroes of India's freedom struggle- *Azadi ka Amrit Mahotsav*

With these ideals and key concepts in mind the following programmes and events was planned and conducted by the NSS Unit-I, II and III of Kamakhya Pemton College, Hiyangthang, 795009.

This year's campaign is celebrated under the theme **#OnlyOneEarth** with the focus on living sustainably in harmony with nature. Speaking on this special occasion, Dr. Chakpram Bijaya Chanu, Programme Officer- NSS- Unit I Kamakhya Pemton College highlights the need to reset the balance with nature through transformative changes. Millions of people around the world are displaced and moving in the context of disasters and the adverse effects of climate change. Disasters have now become a leading cause of forced displacement globally. Dr Hawaibam Romharsha, Assistant Professor, Department of Zoology on climate change and world stated in 2021, from the total of 38 million internal displacements registered in 2021, 23.7 million around the world were displaced by disasters (according to IDMC GRID 2022), thus, IOM calls on all governments and parties to adopt the Intergovernmental Panel on Climate Change 's (IPCC) vision to move from climate risk to climate resilient development in order to address the adverse impacts of climate change.

NSS team organized competitions for village students and children aimed at creating awareness about cleanliness. These engaging activities provided a platform for students to actively learn and participate in discussions about maintaining a clean environment. The competitions encouraged students to showcase their creative talents while instilling the importance of cleanliness practices in their daily lives. Through this initiative, Kamakhya Pemton College NSS sought to cultivate a sense of responsibility and pride in keeping their surroundings clean. By involving village students, children the campaign aimed to create a ripple effect of positive behaviors and attitudes towards cleanliness within the community.

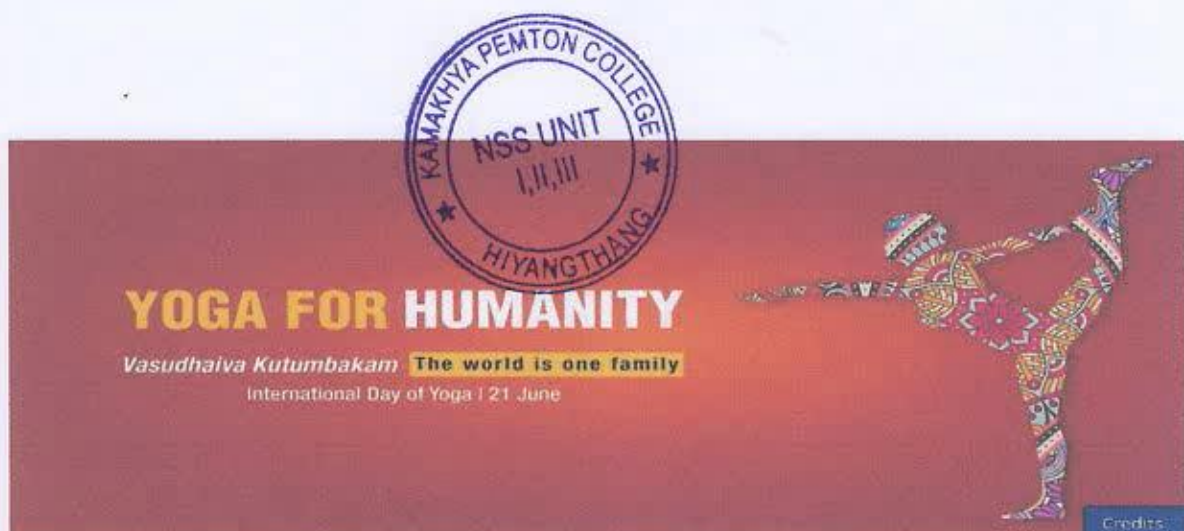

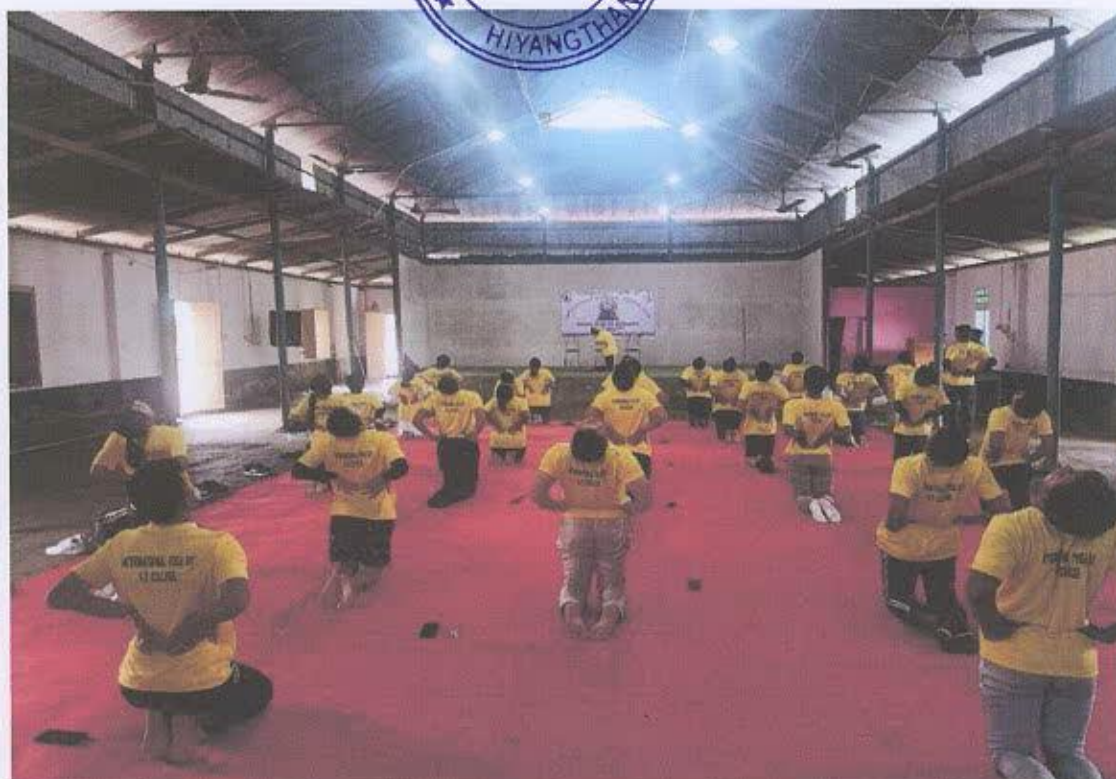

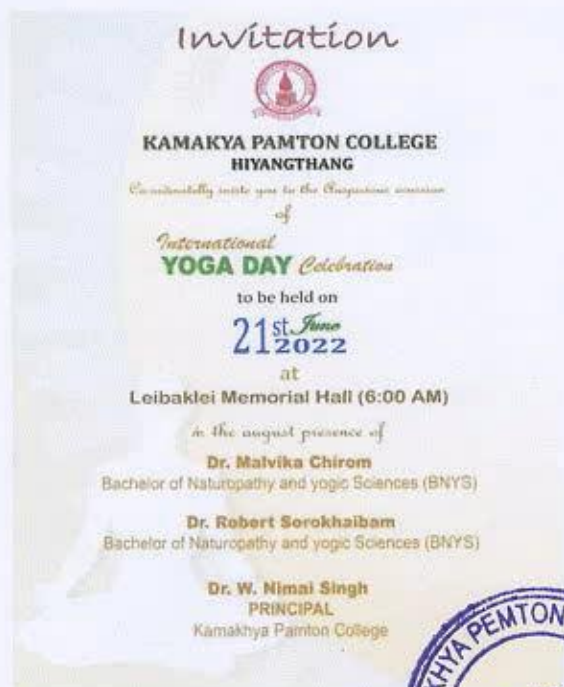

• **INTERNATIONAL YOGA DAY – 18/06/2022**

The theme for International Day of Yoga 2022 is “Yoga for humanity”. Yoga is universal — it can be practiced anywhere, at any time, and by anyone irrespective of age, gender, culture or nationality. Yoga is a powerful tool for individuals, communities and countries to improve both mental and physical health. Yoga has been shown to have immediate psychological benefits, decreasing anxiety and stress, and increasing feelings of emotional and social well-being. It helps prevent and control non communicable diseases (NCDs) — cardiovascular diseases, cancer, chronic respiratory diseases and diabetes, among others — that are a rising cause of disability and premature death.

Yoga has helped hundreds of millions of people across the world stay healthy during the COVID-19 pandemic. This is consistent with the WHO principle that states, “*Health is a state of complete physical, mental and social well-being and not merely the absence of disease or infirmity*”

Making yoga a part of our daily activities can help countries around the world achieve the NCD target of 15% relative reduction in physical inactivity by 2030. In India, health and frontline workers at *Ayushman Bharat*-Health and Wellness Centres encourage the community they serve to adopt yoga to promote health, prevent and manage diseases — including NCDs — and accelerate recovery from ill-health and injuries. On the International Day of Yoga, let's all celebrate the physical and mental health benefits of yoga and highlight its contributions to lifelong health and well-being for all

- **Har Gar Tiranga Campaigns:**

'*Har Ghar Tiranga*' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.

Continuing with their day's mission, the NSS team participated in the "*Har Gar Tiranga*" campaign, symbolizing the widespread display of the national flag. The team embarked on distributing flags to various households within the community. This initiative was designed to instill a sense of patriotism and unity among the residents. By encouraging households to proudly display the tricolor flag, the team aimed to evoke a collective spirit of national pride and identity.

Independence Day was joyously celebrated in collaboration NSS Units , marked a harmonious occasion of unity and patriotism. The participation of over 1000 students showcased their enthusiasm for the occasion. The event's theme, "Swachh Bharat," resonated with the nationwide cleanliness drive, emphasizing the importance of a clean and hygienic environment. The day's festivities included a variety of competitions, which saw active student involvement, leading to the distribution of more than 100 prizes. This initiative exemplified the NSS Cell's commitment to instilling a sense of responsibility and social consciousness among students while honoring India's freedom struggle on the historic date of August 15th.

- ENVIRONMENT ENRICHMENT PROGRAMME

The NSS Units of the college displayed their commitment to environmental stewardship by organizing cleanliness, sanitation awareness, and proper waste management camp in and around Hiyangthang. This initiative aimed to raise awareness about the importance of maintaining clean public spaces. Students and volunteers collaborated to clean up the beach, collecting litter and debris. The event included an awareness campaign to educate attendees about responsible waste disposal and conservation. By taking part in this effort, participants demonstrated their dedication to making a positive impact on the environment. The event likely fostered a sense of community and responsibility among the volunteers. Through media and documentation, the initiative's message could reach a wider audience. Overall, the beach cleaning camp showcased a proactive approach to environmental preservation.

SWACHH BHARAT CAMPAIGNs AUGUST 2022

Following the village survey and interactions, the NSS team embarked on a village cleaning initiative. Understanding the significance of a clean environment in the larger "Swachh Bharat" movement, the team undertook the responsibility of cleaning the village surroundings. This action not only contributed to immediate visual improvements but also acted as a powerful demonstration of the community's commitment to maintaining cleanliness and hygiene. As part of the cleaning initiative, the team directed their efforts toward the school premises. The team diligently cleaned the school walls in preparation for an upcoming painting project. By taking on this task, the NSS members actively participated in enhancing the aesthetic appeal of the school environment. This initiative reflected a holistic approach to community improvement, addressing both practical cleanliness concerns and the visual aspect of the surroundings.

- **Trees Plantation Drive/ Van Mahotsav**

Kamakhya Pemton College NSS unit- I, II and III planted 22 fruit-bearing trees; including Mango, Jackfruit, Pear, Gooseberry, Star fruit, Tamarind, Pomelo, Autumn Olive, China Berry, Indian Jujube, Sumac and Guava in and around Hiyangthang area to emphasized their dedication to environmental conservation. This initiative aims to nurture the local ecosystem while providing nourishment to the community. The diverse tree species enhance biodiversity and contribute to air purification and soil enrichment. The program serves as an educational platform, fostering environmental awareness and sustainable practices. By choosing fruit-bearing trees, NSS Units not only enhances the campus's area aesthetic but also addresses critical ecological and nutritional needs. This effort underscores their commitment to a greener, more sustainable future.

Taking this theme forward the NSS Units of Kamakhya Pemton College, Hiyangthang observed the world Environment Day inside the campus and also a mass tree plantations' Drive at Heibok Ching Hillock along with the Eco-Club of Kamakhya Pemton College, Hiyangthang Manipur.

• NASHA MUKT BHARAT ABHIYAN 12th August, 2022

Over the years, amongst other evils, rampant narcotic and drug use has become a grave hindrance in building a strong nation. The government of India is thus committed to eliminate the menace of drugs through various programs, schemes and policies. One such ambitious initiative of the Ministry of Social Justice and Empowerment is the flagship *Nasha Mukh Bharat Abhiyaan*.

It aims to eliminate, prevent and treat people with drug use disorders and attain the goal of 'drug free' India. In our college NSS Units – I, II, III special focus of this observance in 2022 is to educate and eliminate the drug problem in the state of Manipur. We would also take you through the sincere efforts of the brilliant band of trained master volunteers, women groups and young patriots who are torching the flame of *Nasha Mukh India*. We once again take this opportunity to thank you for your support in attaining this venerated goal. Manipur has been working in a mission mode state from the very beginning of the *Abhiyaan*.

• NSS OBSERVANCE DAY – 24/09/ 2022

National Service Scheme, also known as NSS, is an extension of activities for students pursuing higher education to increase their participation in community service, in addition to their curriculum. Each volunteer must complete 120 hours of social service in one academic year. September 24 is observed as NSS Day since 1969 and is marked across the nation with great enthusiasm. It is the day when this public service scheme was officially launched in India. NSS was launched on September 24, 1969, by Dr. V.K. R.V. Rao, the father of NSS and then Education Minister of India, in 37 universities. Covering all states of India, NSS had 40,000 volunteers at that time. NSS Day is a celebration to commemorate the tireless efforts of each volunteer towards the welfare of one and all.

- 132nd PATROITS' DAY CELEBRATION- 2023

Patriots' Day was observed across Manipur, both by the government and CSOs, in memory of the great souls, Thangal General and Bir Tikendrajit Singh, who sacrificed their lives in the Anglo Manipuri war of 1891 against the mighty British imperialism. The NSS Unit- I, II and III of the College observed the Patriots' Day with the theme "*Remembering the fallen Heroes of Anglo Manipur War*". Speaking at the occasion, Chief Guest Dr. Wahengbam Nimai Singh, Principal, Kamakhya Pemton College, Hiyangthang stated that Patriots Day is also commemorated all across the state due to the effort and sacrifice made by Thangal General and Bir Tikendrajit Singh against the colonial authority. In remembrances of the heroes, he appealed to the gathering volunteers and teachers to renew vows of defending the country and protecting the sovereignty and integrity of the Nation. The programme began with wreath laying and floral tribute to the photos of Thangal General and Bir Tikendrajit. Floral tributes were paid to Bir Tikendrajit and General Thangal, who were martyred in the hands of the British during the Anglo-Manipuri War of 1891. Patriots' Day has been observed in remembrance of fallen heroes of Manipur, who were killed in the Anglo-Manipur War of 1891.

• INDEPENDENCE DAY 2023

Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate and commemorate 75 years of independence and the glorious history of its people, culture and achievements. This celebration in Kamakhya Pemton College with NSS Units I, II and III was dedicate to the people of India who have not only been instrumental in bringing India thus far in its evolutionary journey but also hold within them the power and potential to enable Prime Minister Narendra Modi's vision of activating India 2.0, fuelled by the spirit of *Aatmanirbhar Bharat*. The official journey of Azadi Ka Amrit Mahotsav commenced on 12th March 2021 which started a 75-week countdown to our 75th anniversary of independence and will end post a year on 15th August 2023. Following are the five themes of Azadi Ka Amrit Mahotsav.

• **One Day Cleanliness Drive**
Swachhata hi Seva Pakhwada, 30th September, 2023

Swachhata Hi Seva (SHS) campaign is being celebrated from 15th September to 2nd October this year under the joint aegis of DDWS & MoHUA for undertaking **shramdaan** activities aiming to generate **Jan andolan** through community participation; to provide impetus on implementation of SBM; to disseminate the importance of a **sampoorna swachh** village; to reinforce the concept of **Sanitation as everyone's business**; and as a prelude for the Swachh Bharat Diwas (2nd October) with nationwide participation. **Theme of SHS-2023** is 'Garbage Free India' with focus on visual cleanliness and welfare of SafaiMitras. Like earlier years the spirit of cleanliness activities is **voluntarism/ shramdaan**. The focus of these **swachhata drives** would be on high footfall public places like bus stands, railway stations, cantonment boards, beaches, tourist places, zoos, national parks & sanctuaries, historical monuments, heritage sites, river fronts, ghats, drains and nallahs etc. in both rural & urban areas of State/ UT. With these key ideas in mind, the NSS units of Kamakhya Pemton College, Hiyangthang undertook cleaning and sanitation drive in Ema Lairembi Temple Compound, Hiyangthang, College campus and outside the college Campus. For the said activities, Directorate of University and Higher Education, Government of Manipur directed all the Government colleges of Manipur to participate in Swachhata Hi Seva Pakhwada from 15th September to 2nd October, 2023 by conducting cleanliness drives, shramdaan drives, pledge taking programmes, quiz/painting competitions and other activities for respective colleges.

- World AIDS Day 1st December, 2023
Theme: - *Let Communities Lead*

World AIDS Day is a globally commemorated healthcare event observed every year on the 1st of December for the past 33 years (since 1988). On this day, various awareness campaigns and activities that promote the disease awareness are conducted by several organizations' across the world, unite to show solidarity for people living with HIV (human immunodeficiency virus), reminisced those who have died from an AIDS-related disease, and rally against the spread of the virus. The activities mainly focused on raising awareness about the status of the pandemic and encouraging progress in HIV / AIDS (acquired immunodeficiency syndrome) prevention, treatment, and care around the world.

On this occasion, NSS Unit- II Programme Officer Dr. Romina Kamson highlighted the need for AIDS awareness day is essential as HIV infection is currently incurable, but one can control it with good quality education about the disease, especially in rural areas. It was once an unmanageable chronic health condition, but now, with advances in HIV prevention, diagnosis, manages, and care including for opportunistic infections, people with HIV can live long and healthy lives.

In India, in the year 2019, 58.96 thousand AIDS-related deaths and 69.22 thousand new HIV infections were reported. In the presidential address, Dr Wahengbam Nimai Principal, Kamakhya Pemton College, addresses the volunteers and staff about this year 2023, the World AIDS Day theme "**LET COMMUNITIES LEAD!**". He further postulated, the centrality of the theme emphasizes the influence of communities on the HIV response and global health.

- **CLEANING OF WATER BODIES IN AND AROUND CAMPUS –**
08/12/23

This program was organized by NSS three Units in connection with the celebration of Gandhi Jayanti. The pond was cleaned and restored to its original glory from barren with extensive weed infestation, due to invasive crops like *parthenium* and others. The volunteers were guided by Dr. Chakpram Bijaya Chanu, Dr. Romina Kamson Rongmei and Laishram Priyobati Devi the respective NSS Program Officer of Units I, II and III. These collaborative efforts underscored the importance of keeping accessible small scale water bodies' its care and preventive practices to keep the water clean. Through partnerships, the institute reaffirmed its commitment to holistic community welfare.

The NSS Units of Kamakhya Pemton College, Hiyangthang began with a series of productive activities aimed at community engagement and improvement. The day commenced with a comprehensive village survey to establish a baseline understanding of the local environment and needs. Additionally, plans for upcoming medical camps were introduced to the villagers, fostering a sense of anticipation and participation.

The NSS team's concerted efforts to improve the infrastructure, cleaning and painting activities were undertaken to rejuvenate the school's premises. By investing time and effort in sprucing up the college campus environment and its ecosystem, the NSS team aimed to create a more vibrant and conducive space for the young learners. This initiative not only contributed to the aesthetics of the campus but also reflected the team's commitment to nurturing a positive learning environment
