ABOUT VIDYA BHARTI UCCHA SHIKSHAN SANSTHAN

Vidya Bharti Uchcha Shikshan Sansthan, established by Vidya Bharti to advance the ideals of quality higher education, works to blend India's ancient educational philosophy with modern, innovative practices. It serves as a platform for dialogue, coordination, and collaboration among higher education institutions, aiming to create centers of excellence that nurture knowledge, skills, and values. Building on Vidya Bharti's legacy since 1952, the Sansthan is dedicated to shaping competent, value-driven individuals for the progress of the nation.

ABOUT THE HOST INSTITUTE

Kamakhya Pemton College, located at Hiyangthang in Imphal West district of Manipur, is a promising co-educational premier institution spread over 8.74 acres. Established on 13th August 1981 through the dedicated efforts of local educationists and social workers, the college was founded with the vision of imparting higher education, especially to students in rural areas that had long been educationally underserved.

A multi-disciplinary institute, the college offers undergraduate programs in B.A., B.Sc., and vocational courses. It is affiliated to Manipur University, Canchipur and is recognized under Sections 2(f) and 12(b) of the UGC Act, 1956 since 1st February 2005. The institution is an aided college under the Government of Manipur.

The college is NAAC-accredited with a "B" grade, reflecting its commitment to quality education and academic excellence.

ABOUT THE PROGRAMME

The National Education Policy (NEP) 2020 envisions an education system rooted in Indian ethos to help build an equitable and vibrant knowledge society. This Lecture-cum-Interaction Programme explores the relevance of Indian Knowledge Systems (IKS) in modern higher education, focusing on integrating ancient wisdom with contemporary disciplines through multidisciplinary approaches. It provides a platform for faculty, scholars, and students to discuss the revival, application, and curriculum integration of IKS in line with NEP 2020.

Objectives

- Raise awareness of IKS and its modern significance
- Explore multidisciplinary approaches to enrich learning
- Discuss NEP-aligned curriculum strategies
- Promote cross-disciplinary research and value-based education
- Foster collaboration among academia and researchers

Expected Outcomes

- Greater appreciation of IKS in academics
- Insights for NEP-aligned curriculum design
- Stimulus for collaborative teaching, research, and innovation
- Action points for NEP implementation, including training and planning
- Institutional recommendations for effective NEP adoption
