ABOUT THE COLLEGE

Kamakhya Pemton College is a NAAC-accredited, promising co-educational premier institution located at Hiyangthang in Imphal West district, Manipur. Established in 1981 through the dedicated efforts of visionary educationists and committed social workers, the college was founded with the objective of extending higher education to students particularly those from rural areas that had long remained undeserved.

The institution is a multidisciplinary centre of learning offering undergraduate programmes in Arts (B.A.), Science (B.Sc.), and various vocational courses. Affiliated to Manipur University, Canchipur, the college received recognition under Sections 2(f) and 12(b) of the UGC Act, 1956 on 31-01-2005.

Kamakhya Pemton College is committed provide quality education to all learners, irrespective of their background, while fostering their creative potential and nurturing them into confident, knowledgeable, and responsible citizens of the nation. With a dynamic Governing Body, dedicated faculty and staff, steadily developing infrastructure, a range of skill-based and value-added courses, and sustainable student-support facilities, the college strives to elevate learners to national standards of excellence.

ABOUT MATHEMATICS DAY

National Mathematics Day is celebrated on 22nd December every year to honour the birth anniversary of Srinivasa Ramanujan, one of the India's Greatest Mathematicians. The day aims to nurture mathematical thinking, inspire young minds to appreciate the elegance of numbers, and encourage curiosity-driven learning.
